#### **TOP:**

You heard the sound of a chair crashing against a table. Again the gangster of the school, TOP, couldn't hold his temper. Luckily he left the class without making anymore trouble. While class you noticed that you lost your charm, which was precious to you. Because you thought that you might lost it on the roof of the school, you went there after class. But sadly you couldn't find it anywhere. Tears started to roll down your cheeks. This charm was really precious to you. How could you loose it? "Aishhhh." You heard someone saying angry. "Stop making annoying sounds." You looked up at saw the schools bully. Immediately you took a step back because you were scared, while he took one closer to you. "Where you looking for something?" he asked you and you nodded. "This one?" He was holding your charm and you were starring at it in surprise. He handed it to you and sighted. "Don't cry over something little like that. You don't look pretty when you cry." He tousled your hair and smiled. You couldn't do anything then looking at him in surprise, while he was leaving. Did the schools gangster really smiled at you? Did he really called you pretty? Well. He wasn't really a bad person at all. And honestly.....he was really cute when he smiled.

#### **G-Dragon:**

He was the most famous guy in school and nearly every girl had a crush on him. You were one of them. But sadly you were just air for him. "Do you wanna go to karaoke after school?" "Do you wanna go to eat something after school?" "Do you wanna borrow my notes?" "Do you wanna learn together for the exams?" You could hear the girls trying to get his attention. Class started and the teacher told you to do a presentation in teams. You were allowed to choose your partner yourself and of course everyone tried to team up with GD. "Do you wanna do the presentation together?" You looked at the guy who asked you that and you could just quiet nod at GD. In the break everyone wanted to eat lunch with GD but he denied, sat down in front of your table and started to eat his lunch, while trying some of your dishes. Again you looked at him in surprise. After school you decided to walk home straight, but again GD came to you, asking you to study together in the library for the upcoming exams. Of course you agreed to it.

The next day you came early to school. You were still happy about the things that happened the day before. But the other girls in class wanted to destroy your happy

mood. "Don't think too much about what happened yesterday. Don't even think he likes you. Don't you get that he only used you?" You realized that the other girls were right. Because of your good grades he decided to team up with you, he ate some of your lunch and he just wanted you to help him with his study. How could you have liked someone like him all the time? GD entered the classroom, waved at you happily and walked in front of your table. You looked at him angry. "Are you here to use me again like yesterday?" "Use you?" He looked at you surprised, but realized what was going on when he heard the girls giggling. "Yeah I'm here to use you." You knew it. "Let's team up for class." //Again.// "Let me eat your self made lunch." //Again!// "Let's study alone in the library together." //AGAIN.// "Be my girlfriend." //Aga-// You looked up at him. What did he say? "You heard it right. Be my girlfriend." So.....yesterday.....wasn't because he wanted to use you.....

**Daesung:**

Again Daesung, your best friend, was playing around in front of the girls to make them smile. Why was he always like that? It seemed like he really wanted to get one of the girls to like him. You looked sadly at your book. "What's wrong?" He stand in front of you and looked at you worried. "It's nothing" you answered. "Don't lie to me. I know you better than everyone else." You sighted because he was right. "Ahhhh. Is it about love? Did you get dumped?" You looked at him in shock. "I was right!" He said happily. "I wasn't dumped." You told him. "Then tell me, what's wrong." He ordered you. After you sighted again, you told him the truth. "There's a guy I like. But I don't think he likes me too." "What? Who wouldn't like you?" He made you smile when he said that. "Just tell the guy you like, that you like him. If he doesn't likes you back. Just date me." He said jokingly and you looked at him surprised. Idiot! You are the guy I like....

**Taeyang:**

It was the big break but you were the only in your classroom eating your lunch. Everyone else went to the cafeteria or to the court. You sighted sadly. How could you even find a guy to like you if you didn't even found friends. Angrily you hit your fist on the desk which made your whole lunch to jump. Your drink felt down and everything was dripping on your school uniform. "Ahhhh." You screamed and jumped up. What a disaster. "Here." You heard a voice and someone was holding a handkerchief in front of you. It was Taeyang. One of the flower boys in your school and your secret crush. You took the handkerchief thankfully and wiped your uniform with it. In the end he kept you company and you two got closer because of chatting. A month later you were famous in school and the most girls were jealous of you because you were in a relationship with the flower boy.

**Seungri:**

He was known to be the playboy of the school. When he had a relationship, it only lasted a month. You really hated guys like him and were lucky that he never tried to play with you. One day, you two had to match up as a team in your PE class. You had to play a game with a ball and had to be careful not to get hit by the ball. Even he was a playboy he was guarding you the whole time. But in the end the ball hit you on the head and your nose start to bleed. Together with Seungri you were sent to the nurse

office, but because you didn't want to go there, you two ended up sitting on a table in the court with a bottle of water and a handkerchief. Seungri spitted some water of the handkerchief and wanted to wipe your nose, but you refused and did it on your own. He sighted and looked at you. "You don't need to be so nice to me. I can do it on my own and won't be falling for your tricks." You told him angry. "My tricks?" "Your the schools playboy." You answered him. "I won't play with you." He said to you which kind of hurt. "Why? Because I'm not your type? Because I'm a child? Because I'm ugly?" You said and became louder with every word. "BECAUSE I LIKE YOU!" He shouted and jumped up. "I don't wanna play with you because I like you. I like you since I saw you on the first day of school. But because I know that you don't like me, I started to date other girls to get over you." He looked at you angry. "But it didn't work....." Looking down, he said the last words in a sag voice. You also looked down. Lost of words.
